

# Fall Festival Car/Trunk Decorating Registration

Thank you for supplying your car for our upcoming Fall Festival event on Saturday, October 27th from 1-4pm. We recognize this is the highlight of the event and therefore, we would like to ensure that cars/trunks meet these guidelines.

## Important guidelines & information:

- Cars/Trunks must complete a **FALL FESTIVAL CAR/TRUNK DECORATING REGISTRATION FORM** (attached). This form must be submitted no later than October 18<sup>th</sup> for final approval.
- Cars/Trunks must be provided by **regular attenders of Community Christian Church**. Friends/Family that do not attend CCC are welcome to assist.
- **Themes must be appropriate.** We want to ensure that the trunks/cars are representative of Community Christian Church. Please refrain from being too scary, having costumes that are inappropriate, or a theme that could be offensive to some guests.
- ALL cars/trunks must **arrive by 11:30-11:45am** and be fully decorated by 12:30 pm. The entry for cars will be off of State Street. Due to a requirement with the city of Tamarac (and our event permit) this entry will be closed off to traffic at 12:15. If you are late, it is unlikely you will be able to participate.
- If you are requesting to be **next to another vehicle**, please let us know on the attached form. We will make every effort to accommodate your request. However, if you can all enter the property at the same time (*when arriving*) it will make it so much easier. Cars will be placed in a strategic way that will provide the smoothest flow.
- Cars/Trunks will not be able to **exit** until all children have finished coming through. We do our best to close the line prior to the end of the event. In addition, we cannot open the exit until the Fire Marshall (or city representative) gives us the authorization to do so. **PLEASE be patient! It could be as late as 5pm.**
- You are welcome to provide individually wrapped **candy**, however we will be providing some as well. Candy Runners will be coming to the cars throughout the event and will deliver candy as needed. During busy times this process takes a bit longer than other times. You should expect approximately 1800 children during the 3 hours.
- **Have helpers.** If you can recruit friends or family members to assist it would provide the ability to pass out candy more quickly. This enables the lines to move through at a faster pace. In addition, this allows for needed breaks (restroom or concessions).
- At least one person must be **over the age of 18** at each vehicle.
- **Have fun! Smile & Enjoy!** Remember that you are making a huge impact on this event.
